

IARU Region 1 ATV Contest 2021 Results

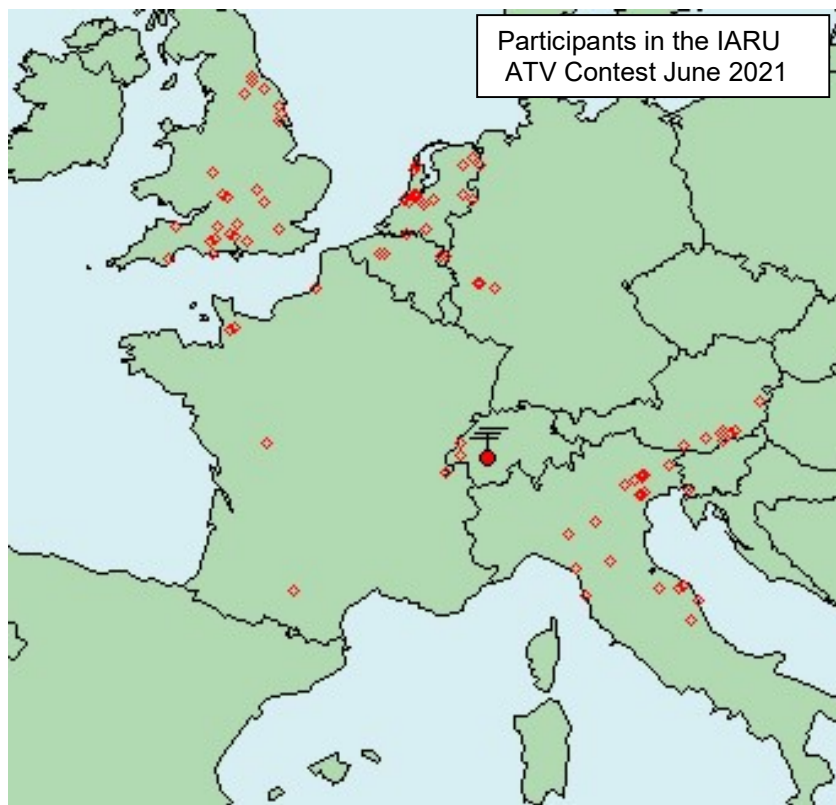

The IARU Region 1 ATV Contest was held on 12/13 June 2021. Due to travel restrictions in some countries caused by the COVID 19 pandemic, the main scoring tables have again been split into 2 sections. Section 1 is for entrants who only operated from their home station address, whereas those operating from alternative addresses or portable locations entered Section 2. There were 85 entrants from 8 countries competing, using all bands from 432 MHz to 76 GHz.

The overall winner of Section 1 for fixed stations was Guido IW6ATU, while Noel G8GTZ won Section 2 and had the highest overall score. Propagation conditions appeared to be good on the lower bands with a 630 km contact from France to Switzerland and a 418 km contact in the UK.

Full results are presented in the following pages. The BATC 2m and 4m ATV contest results have also been included for information only.

Please don't forget next year's IARU ATV Contest on 11/12 June 2022.

Dave, G8GKQ
