

22nd IARU High Speed Telegraphy World Championship 08–12 October 2026, Sousse Tunisia

Bulletin #1 – May 3rd 2026

The "Association des Radio Amateurs Tunisiens" – ARAT in partnership with the Tunisian Scouts are delighted to be the host of the 22nd High Speed Telegraphy (HST) World Championship.

We are excited to announce that we are hosting this event for the second time, and this year, we have moved to a new location: Port El Kantaoui in Sousse city. Nestled along the stunning Mediterranean coast, just 120 km south of the capital, Tunis, this area is renowned for its picturesque marina, golden sandy beaches, and year-round sunny weather—offering the perfect blend of relaxation and vibrant culture. Visitors can enjoy charming waterfront cafés, world-class golf courses, and rich historical sites nearby.

We warmly invite teams, individuals, and guests from around the world to join us from October 8th to 12th. The event centre will be El Mouradi Palace 5 Star Hotel, providing an exceptional setting for an unforgettable HST Championship experience.
